DO, LOVE, WALK AWARD

The DO, LOVE, WALK award originated from the Micah text saying that all is required of us is to do justice, love kindness, and walk humbly. We have presented this award to persons who have devoted their time and talents to keeping the programs at Escuela Anne Stevens and Holy Cross Hospice going year after year. Past winners include Kim Bailey, Marcus Hummon, and Mark Prentice.

This year we are pleased to present the DO, LOVE, WALK award to **the Rev. Gina Angulo**, a priest in the The Episcopal Diocese of Litoral Ecuador. Gina also serves as principal of the Escuela Anne Stevens and as president of Sibimbe, a women's sewing cooperative in her community. Because of her leadership, love, and compassion, more than 500 children have found a creative and safe environment for learning and the justice enterprise Sibimbe continues to thrive. We love you, Gina, and we thank you.
